EDUCATION

- | | |
|---|-------------------|
| • United International University | 2021–Present |
| B.Sc. in Computer Science and Engineering | Dhaka, Bangladesh |
| • Motijheel Boy's Govt. School & College | [2018-2020] |
| Higher Secondary Certificate (HSC) – Science | Dhaka, Bangladesh |
| • Sher-E-Bangla School & College | [2016-2018] |
| Secondary School Certificate (SSC) – Science | Dhaka, Bangladesh |

EXPERIENCE

- | | |
|--|-------------------|
| • PHP Developer Intern | [Dates] |
| Study.net | Dhaka, Bangladesh |
| – Gained hands-on experience in building and maintaining web applications in a professional environment using PHP. | |
| – Collaborated with the development team to implement new features and optimize existing codebases. | |
| – Focused on backend logic, database management, and ensuring cross-browser compatibility. | |
| – Technologies used: PHP, MySQL, HTML/CSS, JavaScript. | |

PROJECTS

- | | |
|---|---------|
| • Smart Cooling Storage (Smart Farm Fresh Storage) | [Dates] |
| IoT-driven automation system for post-harvest loss reduction | |
| – Built an automated storage system featuring YOLOv8-based vegetable classification and robotic arm sorting. | |
| – Implemented RFID-authenticated dashboards and IoT-driven temperature control via Peltier modules. | |
| – Developed real-time monitoring features for weight sensing and storage conditions. | |
| – Technologies: Python, YOLO, OpenCV, IoT, Arduino/ESP32, RFID. | |
| • Job Portal | [Dates] |
| Comprehensive platform for recruitment and application tracking | |
| – Designed and developed a full-stack job portal enabling seamless interaction between recruiters and candidates. | |
| – Implemented features for job postings, application management, and detailed user profile tracking. | |
| – Technologies: PHP, MySQL, JavaScript, HTML, CSS. | |
| • Shelf To Tales | [Dates] |
| Innovative 3D virtual bookshelf for book enthusiasts | |
| – Created an interactive platform featuring a 3D visual bookshelf and personalized reading experiences. | |
| – Integrated backend services to manage book catalogs and user reading history. | |
| – Technologies: Java, Spring Boot, React.js (suggested), HTML/CSS. | |

TECHNICAL SKILLS

Languages: Python, JavaScript, PHP, Java, C++, HTML, CSS

Frameworks & Tools: Spring Boot, Scikit-learn, OpenCV, YOLO, Figma, Postman, Canva

Web Technologies: PHP (Native/Laravel), MySQL, React.js, Bootstrap

Databases: MySQL, PostgreSQL

Software Quality Assurance: SQA Fundamentals, Automation Testing, Manual Testing

Expertise: Web Development, AI Research, IoT, Data Analysis, UI/UX Design

Soft Skills: Problem Solving, Team Collaboration, Analytical Thinking, Presentation

AWARDS & CERTIFICATIONS

- | | |
|---|---------|
| • 5th Runner Up – Smart Farm Fresh Storage System (Cooling System Competition) | [2025] |
| • Member – UIU Computer Club (General Member) | Ongoing |
